EMERGENCY RESTORATION ACTIONS – COLBY FIRE (ITEM 47-A, AGENDA OF JANUARY 21, 2014)

On January 21, 2014, the Board ratified the proclamation of existence of a local emergency made on January 16, 2014, for the fire beginning in Los Angeles County (County) on January 16, 2014, and instructed the Chief Executive Officer to provide status reports while the emergency restoration actions are underway. This report updates the activities that have taken place since May 23, 2014.

MAY 23 THROUGH JUNE 22, 2014 – The Recovery Section of the Governor's Office of Emergency Services is still assessing the County's request for assistance in eligible fire fighting and law enforcement related costs through the Fire Management Assistance Grant (FMAG) program. At this time, the County is approximately \$600,000 short of the \$2,589,150 FMAG cost threshold to qualify for reimbursement. Agencies affected by the Colby Fire were notified by the State that they have until July 22, 2014, to submit complete documentation of potential eligible costs.

We will continue to provide updates of our recovery actions as our efforts progress. Should you have any questions of the information provided, you may contact Ronald Wade, Office of Emergency Management, at (323) 980-2270.
